

Trustee Recruitment

We have an exciting opportunity for members of the community to join the Board of Trustees of Aspire Learning Trust based in Whittlesey near Peterborough and comprises of three Good Schools.

The Trustees work in partnership with the Trust senior management team to set the strategic plan for the Trust, to oversee the School Improvement Plans to provide the best educational experience for all students, to set and monitor the Trust budget, monitoring pupil progress and attainment and to agree Trust and School policies.

Trustees are expected to attend 2 full board meetings and at least one sub-committee meeting per term as well as participating in other occasional meetings to support and challenge the school Governors and local leadership. These meetings are usually held after school hours and since the pandemic have all been held virtually.

We welcome applications from everyone who shares our aspiration to provide an outstanding, all-round education and care for the children in our community and value the different experiences and skills each applicant will bring to the Board of Trustees. We are particularly looking for people with the following skills and experience of:

- Corporate Governance
- Finance
- Strategic Leadership and Management
- Monitoring performance and quality assurance

We would love to hear from you if you feel you are able and would like to help our children to achieve their full potential. We would encourage all members of the local community, regardless of age, experience, and background, to contact me on john.king@sirharrismith.cambs.sch.uk for further information about the role.

All Governors are required to undergo a Disclosure & Barring Check (DBS). The DBS check enables organisations in the public, private and voluntary sectors to make safe recruitment decisions.

John King
Chair of the Board of Trustees Aspire Learning Trust
