

Pupil premium strategy statement

2021-2022

Park Lane Primary and Nursery School

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

| Detail | Data |
|---|--------------------------------------|
| School name | Park Lane Primary and Nursery School |
| Number of pupils in school | 418 |
| Proportion (%) of pupil premium eligible pupils | 7% |
| Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended) | Year 2 of 3 2021-2022 |
| Date this statement was published | 1.10.2021 |
| Date on which it will be reviewed | 14th June 2022 |
| Statement authorised by | Rob Litten |
| Pupil premium lead | Rachel Bains |
| Governor / Trustee lead | Sally Collier/ Lucy Porter |

Funding overview

| Detail | Amount |
|---|--------------|
| Pupil premium funding allocation this academic year | £76,665 |
| Recovery premium funding allocation this academic year | £6682.50 |
| Pupil premium funding carried forward from previous years (enter £0 if not applicable) | £0 |
| Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year | £ 83, 347.50 |

Part A: Pupil premium strategy plan

Statement of intent

Key Principles

The key principles **driving our use** of our pupil premium and recovery funding are addressing **individual needs** and **equality of opportunity**.

Ultimate Objectives

All pupils to **read well**, enjoy reading and to learn and remember the knowledge they need to fully understand and benefit from the school's curriculum.

To leave Park Lane with the skills and knowledge to go on and **achieve excellent GCSE** results in a wide range of subjects.

How does our pupil premium strategy plan work towards achieving these objectives?

Our strategy is to provide highly trained staff to deliver sustained, high quality teaching to all children until they can read very well. We use excellent resources and ensure that our children have access to a wide range of high quality books.

Similarly, in other priority curriculum areas such as mathematics, we ensure that our staff are trained to support all children to become confident and successful.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

| Challenge number | Detail of challenge |
|------------------|--|
| 1 | Lower than average attendance |
| 2 | Slower to acquire reading skills and knowledge |
| 3 | Higher levels of illness, mental health concerns and SEND |
| 4 | Knowing and remembering important information learnt at school |

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

| Intended outcome | Success criteria |
|--|---|
| All disadvantaged pupils read well. | <p>95%+ of pupils pass the phonics screening check in Year 1</p> <p>All pupils pass the Phonics Screening Check by the end of Year 2.</p> <p>95%+ of pupil in KS2 year groups acquire the age related skills for each year group.</p> |
| All disadvantaged pupils know, remember and can apply age related mathematical skills and knowledge | 95%+ of pupils in all year groups acquire or exceed the age-related skills. |
| All disadvantaged pupils fulfil their potential and are guided to excel in mathematics and English | The percentage of disadvantaged pupils exceeding the expected standard in English and Maths is inline with their non-disadvantaged peers. |
| All disadvantaged pupils know, remember and can apply the core knowledge for each subject area of the national curriculum. | <p>95%+ of disadvantaged pupils know, remember and can apply the core knowledge for each of the national curriculum subjects.</p> <p>Enabling them to fully engage with the curriculum of their chosen secondary chose and to go on and achieve well at GCSE level.</p> |

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching

Budgeted cost: £ 48,000

| Activity | Evidence that supports this approach | Challenge number(s) addressed |
|--|---|-------------------------------|
| Ensure that all KS2 staff are trained in the delivery of a phonics based spelling programme (RWI) and that pupils have supporting materials (£3000) | EEF Guidance Report for KS1: Systematic Phonics | 2 and 4 |
| Ensure that there are enough trained support staff to deliver the phonics programme to small groups of pupils with a similar ability level. (£45,000) | EEF Guidance Report for KS1: Systematic Phonics | 2 and 4 |

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 40,000

| Activity | Evidence that supports this approach | Challenge number(s) addressed |
|---|--|-------------------------------|
| <p><i>Ensuring that all staff and the Phonics lead receive excellent training from a RWI consultant 6 times a year</i></p> <p><i>£5000 (inc leader release)</i></p> | <p>EEF Guidance Report for KS1: Systematic Phonics</p> | <p>2 and 4</p> |
| <p><i>Ensuring that all pupils have the 'take home' version of the RWI book they are working on in school</i></p> <p><i>£5000</i></p> | <p>EEF Guidance Report for KS1: Systematic Phonics</p> | <p>2 and 4</p> |
| <p><i>Small group Tutoring in Reading Comprehension KS2</i></p> <p><i>£15000</i></p> | <p>EEF Tool Kit - moderate cost: High Impact</p> | <p>2 and 4</p> |
| <p><i>Small Group Tutoring in Mathematics KS2</i></p> <p><i>£15000</i></p> | <p>EEF Tool Kit - moderate cost: High Impact</p> | <p>4</p> |

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 5,000

| Activity | Evidence that supports this approach | Challenge number(s) addressed |
|--------------------------------------|--|--------------------------------------|
| Education attendance officer (£5000) | Supporting and challenging families to increase attendance | 1 |

Total budgeted cost: £ 93,000

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

The proportion of pupils 'passing' the Phonics Screening Check in Year 1 was 84%. This was achieved by prioritising the teaching of phonics as part of the school's catch-up activities - targeting individual pupils.

The school used the 2019 Year 6 SAT papers to assess Year 6 pupils in June 2021.

The school's use of catch-up tutors and the a 'strategically narrowed' curriculum resulted in a high proportion of pupils meeting the expected standard.

- Reading 72% (80% pupil premium pupils)
- Mathematics 61% (80% pupil premium pupils)
- GPS 67% (80% pupil premium pupils)

Further information

The school is investing heavily in a school developed curriculum offer for its pupils. The curriculum is ambitious and will result in pupils acquiring the knowledge and skills to begin secondary school with the aptitude to achieve excellent GCSE results.

We recognise that excellent GCSE results will enable social mobility and allow our pupils to be less disadvantaged than their parents.
