# Park Lane Primary School

**Summer Term 2 2022**  
**(June - July)**

**Year 5**

## **Information for parents**

Mrs Ingham, Mrs German, Mrs Bradshaw,  
Miss Bright, Miss Ruggles,  
Mrs Goodwin and Miss Baxter

Dear Parent/Carer,

This letter is to inform you of what your child will be learning this half term through a range of questions that they should be able to answer by the end of the academic year. We have provided the answers for you as well.

#### Mathematics - Position and direction/3D shapes/converting units/volume

1. **How do we record co-ordinates?** Co-ordinates are recorded in brackets in pairs, e.g. (5,7) where the first number refers to the x-axis and the second refers to the y-axis.
2. **What do we mean by translation?** Translation is when we 'slide' a shape from one position to another, where the shape's size and dimensions stay the same.
3. **What are units of measurement?** Units relate to measuring length, mass and capacity; they can be metric or imperial measures.
4. **What units of time are there?** Years, months, weeks, days, hours, minutes, seconds.
5. **What is volume?** The amount of solid space something takes up.

#### English - Fictional autobiography/Diamante poem/newspaper reports

1. **What is an autobiography?** It is someone recounting (retelling) their life story.
2. **What do we mean by a 'fictional' autobiography?** An autobiography written by a fictional (made up) character; pupils will write 'An autobiography of a Superhero'.
3. **What genre is a newspaper report?** Newspaper reports are another type of recount (non-fictional text) written in the third person.
4. **What is the difference between reported and direct speech?** Reported speech is what someone has said (Mr. Smith said that the accident had been horrific). Direct speech uses inverted commas and are the actual words someone has said, e.g. "It was horrific!" exclaimed Mr. Smith.
5. **What is a diamante poem?** A diamante is an unrhymed seven-line poem. The lines at the start and end are the shortest and the middle lines are longer.

#### Science - Human Life Cycle

1. **Name the stages of the human life cycle.** Fertilisation, prenatal, infancy, childhood, adolescence, early adulthood, middle adulthood, old age.
2. **What is a gestation period?** Gestation is the period of development during the carrying of an embryo, and later foetus, inside viviparous animals.
3. **Name two ways that babies grow.** Length, weight and various other answers include teeth, hair etc.
4. **What is an average life expectancy?** The approximate amount of time a human/animal is expected to live for.
5. **True or false? Puberty is the physical stage of life between childhood and adulthood.** True.

#### Geography – geographical features of coastlines worldwide using OS maps

1. **In Viking times, which countries made up Scandinavia?** Norway, Denmark, and Sweden.
2. **What does OS stand for?** Ordnance Survey.
