

The 100 Challenge!

November 2021

Dear Parent/Carer,

Many of us will have been inspired by the late Captain Sir Tom Moore during the early days of COVID when he set out to raise money by walking 100 laps around his garden. He raised almost £39 million for the NHS, launched a single and was knighted by the Queen. He ended up earning a Guinness world record for the most money raised through a charity walk – how amazing!

We decided that in early years, to commemorate 100 years of the poppy and Captain Sir Tom Moore's fantastic achievements, we would like to challenge each one of you to do your own 100 challenge throughout the remainder of this half term. All of the staff will be doing one too! We have compiled a little list of ideas (see next page) but you can choose to do anything you like – be as creative as you can. Just as Captain Sir Tom Moore did, we are going to do some fundraising for this to see if we can raise a few pennies to put towards some new resources for nursery and reception. We will also give 50% of any donations to the Royal British Legion. We will share the link to our Just Giving page on Tapestry. We cannot wait to see what you come up with!

Yours sincerely,

The Nursery and Reception Team
