**Decorate an Egg for Easter Competition**

Dear Parent/Carer,

This year as part of our Easter celebrations, we are inviting you to join in with our 'Decorate an egg for Easter' competition. Children can decorate their boiled egg by making a pattern, drawing or painting a picture or even creating a character out of their egg. There are some examples below to give you a little inspiration – be as creative as possible!

Children should bring their decorated egg in to school next Wednesday or Thursday ready for Mr Litten to judge the winning entries on the last day of term. There will be one winner and one runner up per class who will receive a tasty prize!

Nursery children may bring in their decorated egg on whichever day they attend.

Yours sincerely,

Miss Tansley  
Head of Early Years
