

**Dear Parents/Carers,**

We are excited to announce that Young Technicians Academy will be offering a Musical Theatre Performing Arts and Young Technicians After-School Club this Autumn term at Park Lane Primary School!

The Musical Theatre class is a fantastic opportunity for students to explore their creativity, build confidence, and have fun through the magic of musical theatre, including singing, dancing, and acting. Engaging in these activities helps children develop a wide range of skills, from improved coordination and vocal ability to enhanced teamwork and self-expression.

The Young Technicians session is a remarkable opportunity for students to delve into the fascinating world of technical theatre. This class allows participants to explore their creativity, develop practical skills, and gain confidence through hands-on experience with lighting, sound, and photography. Engaging in these activities helps children cultivate a wide range of abilities, from enhanced problem-solving and technical proficiency to improved teamwork and project management.
