

As a Primary School we aim to provide our children with a sound basis for secondary school, and eventually for adult life in the 21st Century. We aim to provide a range of experiences which extend their knowledge of themselves and the world around them.

All children have potential – it is our task to unlock it.

At Park Lane School we unlock potential by:

- Having the **COURAGE** to try things out and persevere when meeting new experiences
- Having **RESPECT** for ourselves and others as well as respecting the school environment
- Showing **KINDNESS** by looking after each other and helping each other
- Taking **RESPONSIBILITY** for our actions and being truthful
- Showing **CO-OPERATION** by listening to others and working well as part of a team
- Having **PRIDE** in everything we do, and always trying to do the best we can

In our school we pride ourselves in setting high standards, not just in the work that children do but in everyone's attitude towards each other. We expect our children to respect each other and care for all the members in our family.

Emphasis is placed on happy relationships, and in particular care, consideration and co-operation at all levels
